

SEP 09 1981

Docket No. 50-289

Metropolitan Edison Company
ATTN: Mr. H. D. Hukill
Vice President and Director of TMI-1
P.O. Box 480
Middletown, Pennsylvania 17057

Gentlemen:

Subject: Inspection 50-289/81-07

This refers to your letter dated August 14, 1981, in response to our letter dated August 7, 1981.

Thank you for your comments concerning paragraph 5d of the subject inspection report.

The TMI Unit 1 Radiological Controls Procedure 1600, Department Organization Plan, Revision 2, and the Deputy Manager's Position Description, Revision 1, dated May 1, 1981 were reviewed as part of Inspection 50-289/81-07. That review, in conjunction with discussions held with various licensee representatives, indicated that the selection of the Radiological Controls Department personnel and its organization structure were in accordance with the Technical Specifications and met the intent of Regulatory Guide 1.8 and ANSI 18.1. The understanding of the NRC staff, as to the responsibilities of the Deputy Manager Radiological Controls, is consistent with the above controlling documents.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:

R. R. Keimig, Chief
Projects Branch #2, Division of
Resident and Project Inspection
