 Docket No. 50-382/81-19

AUG 28 1981

Louisiana Power and Light Company
 ATTN: Mr. D. L. Aswell
 Vice President - Power Production
 142 Delaronde Street
 New Orleans, Louisiana 70174

Gentlemen:

This refers to the inspection conducted under the Resident Inspection Program by Messrs. J. E. Cummins and G. L. Constable of our staff during the period July 16-August 15, 1981 of activities authorized by NRC Construction Permit No. CPPR-103 for Waterford Steam Electric Station, Unit No. 3, and to the discussion of the findings with Mr. D. B. Lester and other members of your staff at various times during the inspection.

Principal areas examined during the inspection and our findings are discussed in the enclosed inspection report. Within these areas, the inspection consisted of selective examination of procedures, drawings, representative records, interviews with personnel and observations by the NRC inspectors.

Within the scope of the inspection, no violations or deviations were identified.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractors) believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you (a) notify this office by telephone within 10 days from the date of this letter of your intention to file a request for withholding; and (b) submit within 25 days from the date of this letter a written application to this office to withhold such information. If your receipt of this letter has been delayed such that less than seven days are available for your review, please notify this office promptly so that a new due date may be established. Consistent with Section 2.790(b)(1), any such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part sought to be withheld, and which contains a full statement of the reasons on the basis which it is claimed that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790(b)(4).
