Mr. John D. Kinneman, Chief
Material Radiological Protection Section
U.S. Nuclear Regulatory Commission
631 Park Avenue
King of Prussia, PA 19406

Dear Mr. Kinneman:

With regard to your inspection 81-01, performed June 4, 1981 and your recent letter of August 5, 1981, please be advised that individuals performing injections will wear gloves during the injection. Their hands will be monitored with a survey device after each injection.

Should there be any contamination, appropriate measures will be taken. I hope this suffices.

Sincerely yours,

Chester J. Kay, M.D.
