Docket No. 50-409

Dairyland Power Cooperative  
ATTN: Mr. F. W. Linder  
General Manager  
2615 East Avenue - South  
LaCrosse, WI 54601

Gentlemen:

This refers to the routine safety inspection conducted by Messrs. A. G. Januska and S. Rozak of this office on August 24-28, 1981, of activities at LaCrosse Boiling Water Reactor authorized by NRC Operating License No. DPR-45 and to the discussion of our findings with Mr. Shimshak and others of your staff at the conclusion of the inspection.

The enclosed copy of our inspection report identifies areas examined during the inspection. Within these areas, the inspection consisted of a selective examination of procedures and representative records, observations, and interviews with personnel. In addition, our Mobile Laboratory was at the site during the inspection to perform independent spectral measurements of radioactivity in samples split with the licensee.

No items of noncompliance with NRC requirements were identified during the course of this inspection.

Based on discussions with members of your staff during this inspection and at the exit interview, it is our understanding that you have agreed to commitments summarized in the exit interview section of the enclosed copy of our inspection report.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you or your contractors believe to be exempt from disclosure under 10 CFR 9.5(a)(4),

it is necessary that you (a) notify this office by telephone within seven (7) days from the date of this letter of your intent on to file a request for withholding; and (b) submit within twenty-five (25) days from the date of this letter a written application to this office to withhold such information. Section 2.790(b)(1) requires that any such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part sought to be withheld, and which contains a full statement of the reasons which are the bases for the claim that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790(b)(4). The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified periods noted above, a copy of this letter and the enclosed inspection report will be placed in the Public Document Room.

We will gladly discuss any questions you have concerning this inspection.

Sincerely,

J. A. Hind, Director  
Division of Emergency Preparedness  
and Operational Support
