Re: In the Matter of Florida Power & Light Company
(St. Lucie Plant, Unit No. 2) No. 50-389A

Dear Judge Bloch:

Petitioners' Objections filed on September 25, 1981, contained some typographical errors which have been corrected on the enclosed copy of that document. A corrected copy of the Objections also has been served on each person listed on the certificate of service.

There are no substantive changes in the corrected copies of the Objections. Attached to this letter are copies of each corrected page with the change noted in handwriting.

I apologize for any inconvenience that may have been caused by these oversights.

Sincerely,

George R. Kucik
