December 21, 1989

NOTICE OF APPEAL^{1/}

The Massachusetts Attorney General, the Seacoast
Anti-Pollution League, and the New England Coalition On Nuclear
Pollution ("Intervenors") hereby appeal LBP-89-38, dated
December 11, 1989 the Memorandum and Order of the Seabrook

1/ Intervenors state that this filing as well as all other
Intervenor efforts made after November 18, 1989 to seek
additional intra-agency appellate review of the Seabrook
licensing action reflects no intention or purpose to elect to
continue such intra-agency review in derogation of Intervenors'
rights to have "final agency licensing action" (which LBP-89-32
under Commission regulations, federal statutes, and case law
constitutes) reviewed by the cognizant Court of Appeals.
Instead, Intervenors file all such pleadings only to ensure
that no argument will lie at any later date that they failed to
exhaust administrative remedies.
