Gentlemen:

This acknowledges your February 8, 1990, letter to Mr. Glen Sjoblom regarding the license termination of your Rhode Island facility. We agree to the delay in shipping the material offsite. We expect all material to be shipped offsite and the final paperwork received in our office by April 30, 1990.

As to your concern about the CERLIS list, we plan to meet with the State of Rhode Island prior to the termination of your license, and this will be one of the topics for discussion. Upon termination of the license, a complete license termination package will be provided to the State. Should you have any questions, please contact Ms. Merri Horn at (301)492-0606.

Sincerely,
