

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

November 16, 1989

MEMORANDUM FOR: Dennis M. Crutchfield  
Associate Director for Special Projects  
Office of Nuclear Reactor Regulation

FROM: Frank J. Miraglia, Chairman  
DPO Review Panel on Comanche Peak

SUBJECT: DIFFERING PROFESSIONAL OPINION (DPO) ON COMANCHE PEAK

On November 15, 1989, the DPO Review Panel on Comanche Peak met to discuss your November 3, 1989 memorandum. As a result of this meeting, the Panel requests that you provide the following information or take the following action:

1. Contact all addressees who have not responded to your October 10, 1989 memorandum to determine whether that memorandum was received and whether they intend to respond. To emphasize, you are to only inquire as to whether the memorandum has been received and whether a response will be sent. Please document that this contact has been made by providing the name of the individual that was called, the nature of the response, and the date that the information was received and by whom, if applicable. For those individuals for which your November 3, 1989 memorandum indicates that a response has been provided by telephone, please ensure that the date of the call, the two persons involved, and the nature of the comments are documented.
2. Please discuss with the Panel the manner in which you determined who should receive your October 10, 1989 memorandum.
3. Please provide the Panel with Inspection Report No. 50-445/8959.
4. The Panel would like to meet with you on Monday, November 20, 1989 after the Executive Team meeting to discuss your November 3, 1989 memorandum and to obtain further information regarding the conduct of the SALP process for Comanche Peak. In particular, what was the composition of the SALP Board, who attended the SALP meeting, who were voting members of the SALP Board, and how the voting process was conducted.

If you have any questions regarding this, please call.

A handwritten signature in cursive script that reads "Frank J. Miraglia".
