Export/Import and International Safeguards
Office of International Programs
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Ms. Wright:

I attach for your kind consideration two applications to export enriched uranium hexafluoride to France for use as fuel in the Bugey-3 and Fessenheim-2 commercial power reactors.

Please contact me should you require any additional information in connection with this application.

Sincerely,

R.H. Fisk
Vice President, International
