

Secretary of the Commission  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

DOCKETED  
USNPC

Attn: Docketing and Services Branch

'90 APR -9 P3:31

Dear Sirs:

I am very much in favor of approving the amendment which will transfer regulatory jurisdiction of uranium and thorium mill tailings to the state of Illinois.

OF-1  
DOCL  
SECRETARY  
& SERVICE  
NCH

I feel that it is very important that Illinois be awarded control over Kerr-McGee Corp.'s 450,000+ cubic yards of radioactive waste in West Chicago, IL.

Sincerely,
