Dear Chairman Miller:

The Licensing Board has requested that the parties "have in the hands of the Board all reports, motions and other filings at least one week prior to the conference" scheduled for April 19, 1990. USR Industries requests that the matters raised in its March 30, 1990 motion for an extension of the prehearing and hearing schedule in the referenced action be taken up at the Status Conference on April 19, 1990, and that the Licensing Board confirm the proposed discovery schedule and hearing date.

Respectfully submitted,

Gerald Charnoff
