To Whom It May Concern:

This letter is to notify the NRC that Greater Flint Imaging would like to terminate license number 21-20320-01. We are closing our Nuclear Department and will submit necessary paperwork. We are working closely with our physicist and Bionomics during this process. Please contact my Office Manager, Sarah Baldwin by phone 810-600-1644 or e-mail sbaldwi1@hurleymc.com with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald A. Sparschu".

WE CARE

US Postal Service

DEAR VALUED POSTAL CUSTOMER:

I want to extend my sincere apology as your Postmaster for the enclosed document that was inadvertently damaged in handling by your Postal Service.

We are aware how important your mail is to you. With that in mind, we are forwarding it to you in an expeditious fashion.

The United States Postal Service handles over 202 billion pieces of mail each year. While each employee makes a concerted effort to process, without damage, each piece of mail, an occasional mishap does happen.

We are constantly working to improve our processing methods so that these incidents will be eliminated. You can help us greatly in our efforts if you will continue to properly prepare and address each letter or parcel that you enter into the mailstream.

We appreciate your cooperation and understanding and sincerely regret any inconvenience that you have experienced.

YOUR POSTMASTER
