Docket No. 50-155
LS05-83-05-016

LICENSEE: CONSUMERS POWER COMPANY
FACILITY: Big Rock Point Plant
SUBJECT: SUMMARY OF APRIL 19, 1983 MEETING
WITH CONSUMERS POWER COMPANY

On April 19, 1983, we met with Consumers Power Company (CPC) in Bethesda, Maryland to discuss the Integrated Assessment for Big Rock Point. D. Vandewalle and K. Toner represented CPC. C. Grimes, R. Scholl and I represented the NRC. CPC described the company's progress on the Integrated Assessment. A company review group has been formed of several people with diverse backgrounds who are familiar with Big Rock Point and the licensing issues affecting the plant. That group has completed CPC's planned first step, importance ranking of all the issues affecting Big Rock Point. We discussed the ranking scheme used by CPC and the preliminary ranking list which CPC showed us. A copy of the viewgraphs presented at the meeting is available in the Project Manager's files.

Our next meeting will be at Big Rock Point May 9, 10, and 11, 1983. During that meeting we plan to discuss each issue in detail. CPC will submit the final ranking list along with justification for each issue on June 1, 1983.
