Dear Sir:

It is my understanding that the CASE LOAD FORECAST PANEL visited the construction site of the following nuclear unit.

Plant: CLINTON #1
Applicant: Illinois Power Co
Docket No.: 05000461

As licensing Project Manager for this project, I shall be highly obliged if you can kindly arrange to send me a copy of the applicant's latest presentation and the summary of NRC's evaluation for the above nuclear project.

Your cooperation and help will be deeply appreciated. The inconvenience caused is regretted.

With compliments and thanks.

Very truly yours,

RN Budwani
