Gentlemen:

Thank you for your letter dated April 5, 1983, informing us of the steps you have taken to correct the items of significance which we brought to your attention in Inspection Report Nos. 50-254/82-24; 50-265/82-28 forwarded by our letter dated March 9, 1983. Information relating to the past two Quad Cities Unit 1 containment integrated leak rate tests, including your position expressed in your April 5, 1983, letter, has been forwarded to NRR for review. Upon completion of that review, we will inform you of any required changes to your test frequency.

Sincerely,

R. L. Spessard, Director
