Request for License Amendment

Dear Sirs:

Be advised that we wish to amend on our original license application dated April 28, 1986. Specifically, we request change of Item no.7 (attachment 3), "Individual(s) responsible for radiation safety program and their training and experience".

Please delete the names of Donald E. Bush, Sr. and Robin L. Stielow as RPO's. Substitute the names Roger D. Kuhlmann and William B. Early. Resumes are as follows:

Roger D. Kuhlmann:

Completed and passed Troxler Electronic Laboratories course on safety and use of roof moisture detection gauges on February 9, 1984. Additionally, he has worked with Troxler gauges since 1984.

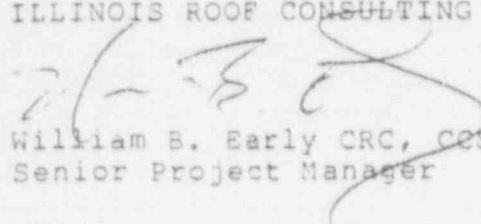

William B. Early:

Completed and passed Troxler Electronic Laboratories course on safety and use of roof moisture detection gauges on February 14, 1985. Additionally, he has worked with Troxler gauges since 1985.

Enclosed is our amendment fee of \$300 in accord with 10 CFR 170, 170.31, category 3.P.

Respectfully submitted,
