## NUCLEAR MEDICAL SYSTEMS

August 6, 1993

U.S. Nuclear Regulatory Commission, Region II  
ATTN: Chief, Nuclear Materials Inspection Section  
Suite 2900  
101 Marietta Street, NW  
Atlanta, GA 30323

RE: License Number 45-25251-01  
Document Number 030-33174

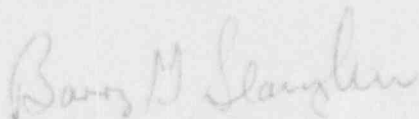

Dear Sir or Madam:

Per the reference above, please be advised that:

1. our construction contractor has completed renovations to our laboratory and office spaces
2. we have purchased and accepted delivery on all of the equipment identified in our license application
3. we intend to begin business on Monday, August 16, 1993

If you have any questions or require further information, please contact us. Thank you for your assistance.

Yours truly,

Barry G. Slaughter, CPA  
President
