ASLBP No. 93-671-01-OLA-3

MEMORANDUM AND ORDER  
(Request for Extension of Time)

Today at 1:16 pm, the Board received a request by voice-mail from Mr. Michael Kohn, Esq., (for Mr. Allen Mosbaugh) for an extension of time on a brief due today. He requested that the brief -- which appears to be his response to the motion for summary disposition on the illegal transfer issue -- could be postmarked today rather than delivered today.

After conferring by telephone with the parties, we have ascertained that the Staff of the Nuclear Regulatory Commission does not object to the delay but that Georgia Power does object, on the grounds that this is part of a continuing pattern of missed deadlines.

We have decided to modify and grant the requested extension of time. Mr. Mosbaugh's filing must be delivered to the Board and parties tomorrow. This will permit the Board to commence its consideration of the Motion and limit its loss of time in meeting its own promised schedule for issuing a decision.

IT IS SO ORDERED
