Gentlemen:

In accordance with your application dated August 3, 1976 and pursuant to Title 10, Code of Federal Regulations, Part 40, Source Material License No. SUA-917 is hereby amended to authorize an extension of the interim period granted to you to effect the change-over from your present mode of liquid effluent elimination to the evaporation pond method described in your November 17, 1974 submittal.

The changeover shall be completed no later than October 1, 1976.

All other conditions of this license shall remain the same.
