EMERGENCY PLAN MANUAL

Enclosed are ten copies of Revision 9 to the Emergency Plan Manual for the Point Beach Nuclear Plant. This revision consists of page changes which should be filed in your copies of the Emergency Plan Manual in accordance with the page change instructions provided.

The changes cover the following areas:

1. Section 3.0, Medical Assistance Plan

   a. Use of a new form to release an individual for return to work.

   b. Change of location of the oxygen breathing unit from the first aid room to Checkpoint "Charlie" which is a more readily accessible location during any medical emergency.

2. Section 8.0, Emergency Call List

   a. Change to Duty and Call Superintendent roster.

   b. Update of list to reflect current positions and telephone numbers.

c. Addition of note to ask for Duty Officer when contacting NRC Region III to aid Coordinator in contacting proper party and ensuring appropriate response by that agency.

Please return the receipt forms for these ten copies of Revision 9 to the Emergency Plan Manual to Ms. F. A. Zeman at the Point Beach Nuclear Plant.

Very truly yours,

Sol Burstein
