Docket No. 50-352
50-353

November 2, 1982

ORDER
(REQUIRING INFORMATION CONCERNING
CONSTRUCTION SCHEDULE)

In order for the Board to remain apprised of the schedule for construction of the Point Pleasant diversion, the Applicant is to provide notice to the Board and the parties as soon as possible after a contract is awarded for construction of the Point Pleasant intake and pumping station. In addition, for activities identified as "Non-contention work" in section number 2 of the "Applicant's Response to the Board's Request for Information Concerning Point Pleasant Construction" (October 20, 1982), the Board wishes to receive notice before the activity begins of its expected starting date. This latter notice should be accompanied by an affidavit from a cognizant official
