ATTACHMENT A TO SUBPOENA DUCES TECUM

You are hereby directed to make available, segregated by category, on November 29, 1982, in the offices of Isham, Lincoln & Beale for inspection and/or copying by same, counsel of record for Applicant, Commonwealth Edison Company, the following documents:

Category 1

All documents provided to you by the Rockford League of Women Voters ("League") in connection with any review or analysis performed by you or any member of your firm of Commonwealth Edison Company's Byron Nuclear Power Station ("Byron Station").

Category 2

All documents consulted or reviewed by you or any member of your firm in connection with any review or analysis performed by you or any member of your firm of the Byron Station and which you believe to contain information directly relevant to the safety of the design, construction or operation of the Byron Station.

Category 3

All documents written, dictated, authored, co-authored, or to which you contributed information or ideas of any kind which directly relate or

refer to the Byron Station, or which discuss, analyze or refer to safety-related considerations which you believe are applicable to the Byron station.

Category 4

All documents provided by you or any member of your firm to the League in connection with any consultation you have engaged in with the League which in any way relate to the Byron Station.

For purposes of this subpoena, the term document shall include any information recorded in any permanent or semi-permanent form. This subpoena requires you to produce the original, or a copy if the original is not in your possession or under your control; together with any and all non-identical copies. A non-identical copy is any copy which differs from the original by way of addition or deletion, including without limit handwritten or other notations added to the document before or after copying.
