STAFF RESPONSE TO STATE OF WASHINGTON
REQUEST TO PARTICIPATE AS AN INTERESTED STATE

By letter dated November 10, 1982, the State of Washington Energy Site Evaluation Council wrote the Secretary of the Commission to request that it be allowed to participate as an interested state, pursuant to 10 CFR §2.715(c), in the Washington Public Power Supply System, WPPSS Nuclear Project No. 1. (WNP-1) operating license hearing. Specifically, the State requested permission to make a limited appearance statement.

If a hearing is otherwise held (i.e., the pending intervention petition by the Coalition for Safe Power is granted), the Staff welcomes the State of Washington's participation.

Respectfully submitted,

Mitzi A. Young
