(Clinton Power Station, Unit 1))

PRAIRIE ALLIANCE'S REQUEST
FOR PRODUCTION OF DOCUMENTS

Prairie Alliance hereby requests that Illinois Power Company, et al. (IP) produce the documents and supply the information listed below, pursuant to 10 C.F.R. § 2.741. Prairie Alliance requests that IP produce said documents, for inspection and copying, at a location convenient to both parties by February 28, 1983, or at such a time as Prairie Alliance and IP may agree.

1. Identify and supply all contracts, including all supplemental amendments to date, between Illinois Power Company (IP) and General Electric Company (GE) relating to GE's obligation to provide service, maintenance, and the replacement of hardware components at the Clinton Power Station (CPS).
2. Identify and supply all correspondence between IP and GE relating to GE's decision to withdraw from the Nuclear Steam Supply System (NSSS) market.
3. Identify the divisions or departments at GE which have responsibility for the design, the engineering, the maintenance, and the construction of the:
 - a) NSSS
 - b) Turbine-generator

DS03

4. For the divisions and departments listed in 3(a) and 3(b), state the following:

a) Number of total employees in each department or division in 1970, 1975 and 1983, and anticipated number of employees in each department or division in the years 1983-1985 and 1985-1990.

b) Number of engineers employed in each department or division in 1970, 1975, and 1983, and anticipated number of engineers employed in each department or division in the years 1983-1985 and 1985-1990.

5. Identify the number of GE NSSS units sold in each of the last ten years. Identify and supply current forecasts for anticipated sales of GE NSSS units in the years 1983-1985, 1985-1990, and for 1990 and beyond.

Respectfully submitted,
