MEMORANDUM FOR: Joseph Halapatz
FROM: Richard H. Vollmer, Director
Division of Engineering
SUBJECT: DIFFERING PROFESSIONAL OPINION

On February 2, 1982, you attended a meeting with W. Johnston, Assistant Director, Materials & Qualifications Engineering and Carl Mohrwinkel, Labor Relations Branch, ADM, concerning your differing professional opinion (DPO) related to listed sensitization of BWR stainless steel weldments.

It is my understanding that, as we had previously agreed, you plan to visit the General Electric Office at San Jose to review documentation relating to your concern. Please inform me when you have established the dates of your trip. If you are encountering any difficulty in arranging a meeting with the appropriate people, please let me know.

In order to reach a point of resolution of this DPO, I would like you to provide to me a report of your findings and recommended actions within thirty days after your trip.

A handwritten signature in dark ink, appearing to read "R. Vollmer".
