RE: Perry Nuclear Power Plant
Docket Nos. 50-440; 50-441
Response to Letter Dated
January 26, 1983

Dear Mr. DeYoung:

Thank you for your letter dated January 26, 1983, on the subject of "Information Relating to Recent Deficiencies in Quality". I have reviewed the attached material and share your concern.

As the research required to assess any impact on Perry Nuclear Power Plant will require some time, I am writing to assure you that the material forwarded, including Information Notice 83-01 will be acted upon promptly. Should any significant deficiencies be identified as a result of your notification, we will report them in accordance with 10CFR50.55(e).

Thank you for bringing this matter to my attention.

Very truly yours,

Robert M. Ginn
President
