**SUBMITTAL OF REVISED QA PROGRAM TOPICAL REPORT  
OF ADVANCED NUCLEAR FUELS**

Enclosed is one copy of Revision 24 of the Advanced Nuclear Fuels (ANF) Quality Assurance Program Topical, ANF-1A, which has been accepted by the USNRC. This revision represents our routine annual updates, which are primarily organizational-related and minor additions to clarify requirements. A summary of changes is listed on the approval page, and location where changes were made are indicated with an asterisk in the right page margin. Also enclosed is the original approval sheet.

Please call me on 509-375-8257, or Dick Nelson on 509-375-8322, if you have questions or wish to discuss.

Very truly yours,

Carl J. Volmer  
Manager, Quality Assurance
