Gentlemen:

Thank you for your letter of January 7, 1991, in response to our letter dated December 24, 1990. In our letter, we had requested information in addition to that given in your reply dated October 30, 1990. Your October 30, 1990, letter was in response to our letter and attached Notice of Violation both dated September 11, 1990. We have reviewed your reply and find it responsive to the concerns raised in our letter of January 7, 1991. We will review the implementation of your corrective actions during a future inspection to determine whether full compliance has been achieved and will be maintained.

Sincerely,
