Docket No. 50-443

Public Service Company of New Hampshire
ATTN: Mr. Ted C. Feigenbaum
President and Chief Executive Officer
New Hampshire Yankee (NHY) Division
Post Office Box 300
Seabrook, New Hampshire 03874

Gentlemen:

Subject: Request for Information on Radiograph Records

The purpose of this letter is to confirm our request that New Hampshire Yankee provide the following information to the NRC in writing.

- The number of Pullman-Higgins weld radiographs retrieved from the files incident to post-construction follow-up on weld adequacy questions, and the number of Pullman-Higgins weld radiographs which were not retrievable during this effort.
- The number of Pullman-Higgins weld radiographs which should be on file.
- The technical basis for your conclusion that the missing radiograph for Field Weld CS-328-F0204 is an isolated occurrence with no discernable generic implications (reference your letter NYN-91023 to NRC (OIG) dated February 8, 1991).

Thank you for your prompt attention to this matter.

Sincerely,

ORIGINAL SIGNED BY:

Charles W. Hehl, Director
Division of Reactor Projects
