Gentlemen:

On behalf of the Georgia Institute of Technology, I hereby apply to the U.S. Nuclear Regulatory Commission to renew the GTRR operating License No. R-97 for another 20 years, i.e. until June 6, 2014.

In support of this application, please find the following documents attached herein:

1. Revised and updated Safety Analysis Report
2. Financial Qualifications (New)
3. Environmental Report (New)
4. Technical Specifications (Revised)
5. Operator Requalification Program (Approved by NRC 1/2/91)
6. Emergency Preparedness Plan (Revised)
7. Physical Security Plan (Revised).

We appreciate U.S. NRC Cooperation in this matter.

Sincerely,

R.A. Karam, Ph.D., Director
Neely Nuclear Research Center
