CORRECTED MEMORANDUM AND ORDER
(Scheduling Conference)

At last Friday afternoon's telephone prehearing conference concerning the status of the case, we postponed most scheduling decisions until our scheduled May 3, 1994, conference at 2 pm, to be held in Bethesda, Maryland, in the Fifth Floor Conference Room at 4350 East West Highway.

The agenda of that meeting will be very important to the efficient scheduling of the remainder of this case.

D502

Consequently, we request the parties to file motions for matters to be included in the agenda. Those motions should be received by the Licensing Board by close of business April 29, 1994. Two related matters to be included in the agenda are the effect on our schedule of Board Notification 94-08 and whether or not we should accept the Staff's offer of an in camera briefing on that question.
