MEMORANDUM AND ORDER

CONCERNING  
A MOTION FOR EXTENSION OF TIME

On July 29, 1981 Florida Power & Light requested an extension of time to file a brief required by Board Order of July 7, 1981. The motion represents that the extension of time is acceptable to the other parties, and there does not appear to be any reason to deny the motion. Consequently, Florida Power & Light may file its required brief by no later than Friday, August 7, 1981, providing that it effect hand service on the parties and on the Board on that day.

IT IS SO ORDERED.
