Dear Sir:

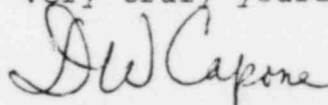

The Nuclear Regulatory Commission (NRC) has requested, as a part of their review of the Callaway Plant Emergency Response Plan, Union Electric Company to update and clarify the letter of agreement with Callaway Memorial Hospital, dated August 22, 1979 (copy attached).

Your signature at the indicated place below will allow this letter to serve as the requested agreement between the Callaway Memorial Hospital and Union Electric Company concerning emergency and non-emergency health care services for personnel from the Callaway Plant. If you concur, please sign and return one copy as soon as possible.

Callaway Memorial Hospital agrees to provide health services for personnel from the Callaway Plant for either emergency or non-emergency care, including those who may have been exposed to radiation or who may have injuries complicated by radioactive contamination. Union Electric Company agrees to be responsible for providing training of hospital personnel and consultation concerning emergency medical treatment of radiation contaminated patients. In addition Union Electric will be responsible for any decontamination which may be required as a result of providing the above services.

Your prompt consideration and reply will be most appreciated.

Very truly yours,

D. W. Capone
