South Carolina Electric and Gas Company
ATTN: Mr. T. C. Nichols, Jr., Vice President
Power Production and System Operations
P. O. Box 764
Columbia, SC 29218

Gentlemen:

Subject: Report No. 50-395/81-16

This refers to the special inspection conducted by Messrs. W. P. Ang and L. E. Foster of this office on June 29 - July 2, and July 7-9, 1981, of activities authorized by NRC Construction Permit No. CPPR-94 for the Summer facility and to the discussion of our findings held with Messrs. O. Dixon, Group Manager, Production Engineering and J. F. Algar, Site Manager, Summer Nuclear Project, of your staff, at the conclusion of the inspection.

Areas examined during the inspection and our findings are discussed in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspectors.

Within the scope of this inspection, no violations or deviations were disclosed.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed report will be placed in the NRC's Public Document Room. If the report contains any information that you believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you: (a) notify this office by telephone within ten days from the date of this letter of your intention to file a request for withholding; and (b) submit within twenty-five days from the date of this letter a written application to this office to withhold such information. If your receipt of this letter has been delayed such that less than seven days are available for your review, please notify this office promptly so that a new due date may be established. Consistent with section 2.790(b)(1), such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part thereof sought to be withheld, and a full statement of the reasons on the basis of which it is claimed that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790-(b)(4). The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified periods noted above, the report will be placed in the Public Document Room.
