RE: Freedom of Information Act

Dear Sirs:

I would like to request, under the Freedom of Information Act, the following material from the NRC:

- (1) Any and all Inspection Reports issued by NRC for the Limerick Nuclear Generating Station.
- (2) Any and all responses by Philadelphia Electric, those in their employee, under contract with them, or in any way related to Philadelphia Electric, to the Inspection Reports of Limerick issued by NRC.
- (3) Any documents including but not limited to, hearing reports, all correspondence, and staff review papers, from NRC related both directly and indirectly to Inspection Reports for the Limerick plant.
- (4) Any and all documents, from DOE, U.S. Geologic Survey, and any other government agency, which are related, both directly and indirectly, to the NRC Inspection Reports for Limerick.
- (5) Any and all responses by Philadelphia Electric, or anyone under contract with, employed by, or in any way connected with Philadelphia Electric, to all correspondence, including but not limited to staff review papers, published reports, and data studies from any Government agency, related both directly and indirectly to NRC Inspection Reports for Limerick.

Commissioners, NRC

- (6) A computer listing of subject heading, author, title, source acquisition date, NRC internal ID number and full text abstract from the NRC ARMS system (operated under contract by Tera Corporation) for any document in the ARMS system related to areas 1-5 above.

These materials are required by me in order to assess the Limerick project in light of the record of Philadelphia Electric's compliance with NRC standards.

Your prompt assistance in meeting this FOIA request is greatly appreciated.

Sincerely
