Subject: LaSalle County Station Units 1 and 2
 Fission Gas Release From Fuel at High Burnup
NRC Docket Nos. 50-373/374

Reference (1): R. M. Pifferetti (GE) letter to R. L. Tedesco
 dated August 21, 1981

Dear Mr. Schwencer:

The purpose of this letter is to inform you that Commonwealth Edison has determined through a review of the LaSalle County fuel design performed by General Electric, that the information contained in and referenced by Reference (1) is applicable to LaSalle County Station Units 1 and 2. Therefore, the conclusions reached in that report are also applicable to LaSalle County. You are requested, therefore, to apply that information in your review of the LaSalle County fuel design.

If there are any questions in this regard, please direct them to this office.

Very truly yours,

L. O. DelGeorge
