Re: Public Service Company of Indiana, Inc.
(Marble Hill Nuclear Generating Station,
Units 1 and 2) Docket Nos. 50-546, 50-547

Dear Mr. Dattilo:

Thank you for your letter of September 21.

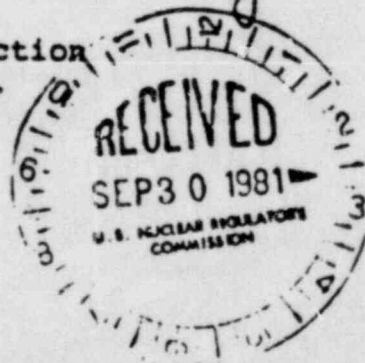

Your letter assumes that Public Service Indiana and Wabash Valley Power Association, Inc. have a duty to notify you "of their letters to NRC" and of WVPA's "pending federal action with the REA". I am not aware of any such requirement.

Formal pleadings addressed to the continuing validity of the construction permits for Marble Hill Units 1 and 2 are another matter. They should be served on me, and also upon Mr. Campbell or Mr. Pope of Public Service Indiana. Any response filed by this firm will, in turn, be served on you.

Very truly yours,

Harry H. Voigt
