Re: Public Service Company of Indiana, Inc
(Marble Hill Nuclear Generating
Station, Units 1 and 2)
Docket Nos. 50-546, 50-547

Dear Mr. Voigt:

Thank you for yours of September 16.

This is a two-way street. Kindly notify this writer of your clients' dealings with the NRC and all other federal agencies regarding Marble Hill. PSI and WVPA neglect to notice this writer of their letters to NRC.

Kindly note WVPA failed to notify the parties and myself of their pending federal action with the REA, which precipitated the motion.

This writer notified Mr. James Pope, PSI attorney, of the filing.

Very truly yours,

Thomas M. Dattilo
