Mr. Leo Dubinsky
United States Atomic Energy Commission
AEC Compliance
Washington, D.C.

Dear Dr. Dubinsky:

Enclosed please find ten (10) copies of my report on
the plutonium-americiium accident of November 30, 1966,
at NUPEC.

This report is an initial one and subsequent reports
may be needed to amplify such points as may be of interest
as further data is obtained in this case.

I shall be in Washington on April 6 if you wish to discuss
this report. Please call me if a conference is desired.

Sincerely,

Eugene L. Saenger, M.D.
