MEMO TO ASLB AND PARTIES REGARDING WITHDRAWAL OF COUNSEL:

Effective October 15, 1981, I am withdrawing as counsel for Intervenor in the above-captioned proceeding. This action is necessitated because I am moving my law practice at that time from Los Angeles to Northern California. I hope that my withdrawal from this case will be only temporary, but I will not be able to make that determination for certain until after resettling in the north.

The Nuclear Law Center is currently searching for replacement counsel. In the interim, Mr. Daniel Hirsch, President of the Committee to Bridge the Gap, has been authorized by the CEG Board to represent it in the case and authorized to sign all necessary documents. During this period he will receive informal advice from the Nuclear Law Center, until formal counsel can be arranged. I trust, however, that he will be afforded the consideration generally granted pro se representatives in NRC proceedings.

Please continue to serve the Nuclear Law Center at the above address; it would be best to address material to NLC directly rather than to me personally, as it might be forwarded north otherwise.

Respectfully submitted,

  
Mark Pollock  
Counsel for Intervenor

To Whom It May Concern:

At a meeting of the Board of the Committee to Bridge the Gap on September 24, the withdrawal of Mark Pollock as counsel in the UCLA reactor case was announced. A resolution was passed, reluctantly accepting Mr. Pollock's withdrawal and expressing gratitude for the work he had performed. It was also expressed that it was hoped the withdrawal would be only temporary.

The Nuclear Law Center is now attempting to arrange for a replacement for Mr. Pollock. In the interim, the Bridge the Gap Board authorized Mr. Daniel Hirsch, President of CBG, to represent it in the relicensing proceeding and sign what documents may be required.

Respectfully,
