Docket: 50-267

Public Service Company of Colorado
Attn: Mr. O. R. Lee, Vice President
Electric Production
P. O. Box 840
Denver, Colorado 80201

Gentlemen:

Thank you for your letter of September 14, 1981, in response to our request for information regarding the adequacy of the interim Forward Command Post (EOF in NUREG-0696) at Fort Lupton. It was noted that there are no provisions for female restroom facilities in the FCP. The NRC does have female inspectors.

We have no further questions at this time and we will review your corrective actions during a future inspection.

Sincerely,

John T. Collins
Deputy Director
