Re: Wisconsin Electric Power Company, docket nos. 50-266
and 50-301-OLA

Dear Judge Bloch:

Reference is made to your October 7, 1981 Memorandum and Order Setting Agenda for October 9 Conference Call.

We received a copy of the same by Federal Express delivery after the telephone conference was held on October 9. Apparently, the reason for the delayed delivery was the fact that the envelope was addressed to the Decade at its prior location and not at its proper address. We would appreciate it if you could bring to the attention of your clerical staff that our address is as stated in all of our filings with you in this matter, to-wit 114 N. Carroll Street, Madison, WI 53703, so that such a problem does not arise again in the future.

Sincerely,

Kathleen M. Falk
