ATTORNEYS

October 2, 1981

Mr. Darrell G. Eisenhut, Director
Division of Licensing
Office of Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Eisenhut:

This is to confirm that our Monday meeting of October 5, 1981 has been rescheduled for Friday, October 9, 1981.

The meeting postponement was requested to provide more time to complete necessary analytical studies so that a more definitive presentation can be made to the NRC Staff regarding the error described in our letter of September 30, 1981 to Mr. R. H. Engelken. The analyses involve extensive computer calculations and are taking more time than we had earlier expected.

We regret any inconvenience this postponement may have caused you.

Sincerely,

Philip A. Crane
