RE: Operation of Enrico Fermi Atomic Power Plant, Unit. No. 2
Final Environmental Impact Statement
Arcwide Clearinghouse Code: LU 810205

Dear Mr. Youngblood:

The Council of Governments has processed a review for the above Final Environmental Impact Statement according to the guidelines established in Federal Office of Management and Budget Circular No. A-95.

The following agencies were asked to comment on your project:

- . City of Monroe
- . Jefferson School District
- . Frenchtown Township
- . Detroit Planning Department
- . Wayne County Intermediate School District
- . Michigan Department of Civil Rights
- . County Planning Offices of: Wayne, Oakland, Monroe, Macomb and Washtenaw

As of this date the City of Monroe, the Macomb County Planning Commission and the Washtenaw County Metropolitan Planning Commission have submitted written comments which are attached.

The other public agencies notified have not responded to our solicitation for comments during the A-95 review period. We will forward late comments to you, for your information and attention.

SUBJECT: Final E.I.S. Review for Operation of Enrico Fermi Atomic Power
Plant, Unit 2. SEMCOG Code No. LU:810205

Dear Mr. Snyder:

The City of Monroe has recieved and reviewed the above project as submitted by the U.S. Nuclear Regulatory Commission. The two concerns the City had with the draft E.I.S. have been addressed in the final E.I.S., satisfying this community's apprehensions on the project.

Thank you for sending us a copy of this report and, in the future, any related items that may have an impact to this community.

Sincerely,

Rusty Soyning

RE: Notice of Final Environmental Statement
Related to Operation of Enrico Fermi
Atomic Power Plant, Unit No. 2
U.S. Nuclear Regulatory Commission
Detroit Edison Company

Dear Mr. Glusac:

In accordance with established A-95 Clearinghouse procedures, we have reviewed the Final Environmental Statement related to the operation of Enrico Fermi Atomic Power Plant, Unit No. 2, submitted by the U.S. Nuclear Regulatory Commission.

The Offices of Macomb County Health Services and Emergency Services were contacted with regard to this document. Enclosed is a copy of the response from the Macomb County Emergency Services office. The Office of Health Services has not responded at the time of this letter, any late comments will be forwarded.

The staff of the Macomb County Planning Commission has reviewed the general planning data contained in the document such as, land use, population characteristics, recreational activities and other urban

Dear Mr. Giampetroni:

This letter is written in reference to the Final Environmental Statement related to the operation of Enrico Fermi atomic power plant, Unit No. 2 U.S. Nuclear Regulatory Commission/Detroit Edison Company.

This office has reviewed the material forwarded to us relative to the above-mentioned project. We shall interpose no objection to the proposed operation--providing the State Office of Emergency Services has the opportunity to review and comment on this final statement and provided that the plant emergency plan is approved by the State Emergency Services Office and all other applicable Federal, State, and local requirements are adhered to.

If there is any other information or assistance this office can provide you with, please feel free to contact us at your convenience.

Sincerely yours,

John P. Perry, Coordinator
Macomb County Emergency Services

Dear Mr. Snyder:

In accordance with Federal OMB Circular A-95 and review procedures established by the Southeast Michigan Council of Governments, the Washtenaw County Metropolitan Planning Commission has reviewed the final Environmental Impact Statement from the United States Nuclear Regulatory Commission for a project titled "Operation of Enrico Fermi Atomic Power Plant, Unit Number II., located on Lake Erie in Monroe County, approximately eight miles northeast of Monroe, Michigan.

In reviewing this proposal, staff contacted Dr. John Atwater, Director of the Washtenaw County Health Department. Dr. Atwater indicated that he had no comment on the Fermi II Proposal. Staff found no conflict with this proposal and any County or Local Land Use Plan or Policy and therefore recommends approval of your request.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ralph Pasola".
