Privacy and Proprietary Material in  
Emergency Plans

Reference: NRC Generic Letter No. 81-27 from Darrell  
Eisenhut dated July 9, 1981

Dear Sir:

The Authority has completed it's review of the James A. FitzPatrick radiological emergency plans and implementing procedures in response to the reference letter. As the result of this review, the Authority requests that the items listed in the attachment to this letter be deleted before they are placed in the Commission's Washington, D. C. or local Public Document Room.

The Authority recommends that the appropriate state agencies be consulted before the New York State Emergency Plan is made public.

If you have any questions about this material, please do not hesitate to contact us.

Very truly yours,

J. P. Bayne
