Dear Mr. Miller:

In compliance with your request this letter is to inform you that the University of Oklahoma plans to complete the revised submission of its license renewal by January 15, 1982. We appreciate your offer to send a document detailing required items of the submission. We do need a final clarification of what additional materials you require.

It is our desire to obtain the license renewal as soon as possible. Thank you for your help and I shall continue to work with Mr. Hal Bernard.

Very truly yours,
