Dear Mr. Youngblood:

On October 8, 1981 this office received five copies of the draft Environmental Impact Statement (EIS) entitled Callaway Plant Unit 1, Callaway County, Missouri.

Your agency requested comments on the EIS be received by November 23, 1981. In accordance with Section 1506.10 of the CEQ regulations (40 CFR 1500-1508), the 45 day review period will be calculated from the Federal Register Notice dated October 19, 1981 and will extend until November 30, 1981.

If you have any questions, please contact Mrs. Kathi Wilson of my staff on (202) 245-3006.

May I advise you to send a letter to all persons receiving the EIS informing them of the correct date.

Sincerely,
