TO: Emergency Response Plan Implementation Copy Holders  
FROM: E. T. Reimer  
SUBJECT: Revision 2/3 to Emergency Response Plan Implementation Procedures

Enclosed, please find your copy of Calvert Cliffs Nuclear Power Plant's Emergency Response Plan Implementation Procedures (ERPIP), Revision 2/3, dated October 2, 1981. Please note that due to the number of individual changes involved, and therefore, the large number of pages revised, the ERPIP is being re-issued in its entirety for ease in incorporation into your present binder. Using the instructions below, incorporate Revision 2/3.

1. Replace existing Approval and Revision Sheet located in front of binder with newly supplied Approval and Revision Sheet (with Rev. 2 and 3 entry incorporated).
2. Replace existing List of Effective Pages (11 pages).
3. Retain present Record of Page Changes.
4. Replace remaining existing pages with Revision 2 and 3 pages supplied.
5. Perform a page check against the Rev. 3 List of Effective Pages. Record page change on Record of Page Changes.
6. Report any missing or defective pages on receipt form.
7. Upon completion of the above actions, return the receipt form for our records.
