 Texas Utilities Generating Company, et al.  
 (Comanche Peak Steam Electric Station, Units 1 and 2)  
 Docket Nos. 50-445 and 50-446

Dear Dr. Buckley:

In reviewing the documents filed in this proceeding, we noted your recent letter to the Secretary of the NRC in which you request the opportunity to make a limited appearance at the Comanche Peak prehearing conference scheduled for December 1, 1981. In a "Notice of Evidentiary Hearing and Prehearing Conference" dated September 17, 1981, the presiding Atomic Safety and Licensing Board in this proceeding set forth the procedure for making a limited appearance (at pages 4-5). A copy of that notice and a copy of an "Amended Notice of Evidentiary Hearing and Prehearing Conference (Change of Location)," November 4, 1981, are enclosed for your information.

Sincerely,

Marjorie U. Rothschild  
 Counsel for NRC Staff
