Mr. Louis J. Carter, chair
Atomic Safety and Licensing Board
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Carter:

As a resident of Ossining, and as a nurse, I am concerned for the health and safety of my family and my neighbors.

I have seen the current evacuation plan for those of us who live within a ten mile radius of Indian Point, and I am convinced that the plan is inadequate.

I would like to appear before the board to make a limited appearance statement regarding the inadequacies I perceive. Mornings are best for me. Please schedule my appearance before noon on any weekday.

Thank-you,

James Plews-Ogan
